EXPERIENCE

NBC NEWS NOW - STAY TUNED NOW

Associate Producer | Septmeber 2023 - Present

- Produce live segments and readers daily, as well as feature packages that air across NBC News platforms
- Consistently pitch innovative angles to ongoing coverage and pursue bookings for live show
- Shoot, write, and edit original packages often focused on marginalized communities, technology, social media, and the arts
- Locate and edit strong visual elements using AVID and Adobe Premiere

NBC NEWS NOW - STAY TUNED NOW, NOW TONIGHT

Production Assistant | June 2022 - September 2023

- Located and edited strong visual elements, using AVID and Adobe Premiere, that best complement a story with tight daily deadlines
- Pitched and produced relevant and engaging stories for packages and live guest segments
- Wrote stories for publication on NBCNews.com
- Monitored developing stories, locate new video and sound to keep rundown and scripts current
- Handled breaking news situations effectively and excelled in a fast-paced work environment

NBC NEWS NOW - WITH AARON GILCHRIST AND MORGAN RADFORD

Production Assistant/News Intern | September 2021 - April 2022

- Served as a production assistant, communicating with segment producers to cut over 500 elements for live air, including PKGs, VOs, SOTS, as-lives and full screen graphics
- Pitched, wrote, reported, edited, and produced stories in the streaming network's voice and tone
- Identified characters for stories and conducted pre-interviews
 - Pitched/produced a story on the supply chain crisis that aired on NBC News Now, Early Today and MSNBC
- Worked directly with NBC News and MSNBC correspondents and anchors on scripts

MSNBC - BREAKING NEWS TEAM

News Intern | January 2021 - April 2021

- Followed breaking news and daily coverage for MSNBC's dayside programming
- Wrote event/story summaries distributed throughout NBC News
- Identified and flagged breaking news stories for the network from social media and local news outlets
- Logged political events
